Staff Sergeant Mathura gave a verbal report on crime on the Sunshine Coast.

Highlights of Reporting Period:

- *The court injunction issued against protesters trying to stop logging on Mount Elphinstone was one of the biggest summer challenges.*
- *Rash of thefts in Halfmoon Bay. RCMP identified suspects but many items are believed already sold.*
- *Remembrance Day ceremonies in Madeira Park, Gibsons and Sechelt were well attended.*
- *RCMP Youth Liaison attended training about the damaging impacts of gender stereotyping which can lead to bullying, violence and other forms of abuse. Empowering ways to confront, interrupt, and prevent gender violence such as challenging a would-be perpetrator or reporting an incident was discussed.*
- *Snow in December resulted in many traffic calls and several minor accidents.*
- *Emergency Response Team executed a search warrant in Sechelt. Two arrests were made.*
- *There has been an increase in Fentanyl related overdoses since mid-December. Each police officer is trained in using Naloxone and carries two doses with them at all times.*

NEW BUSINESS / ROUNDTABLE**Fentanyl**

Discussion ensued regarding Fentanyl. It was noted that Fentanyl is highly potent and caution should be used when administering first aid to a person suspected of using it as one grain can be fatal. Fentanyl is not police reportable however the RCMP is communicating with hospital staff to get accurate statistics. Fentanyl can be absorbed by through the skin.

The Committee was advised that the cost of Naloxone is \$20/kit (2 doses). The Province covers costs for the RCMP. All Sunshine Coast first responders are equipped with kits and

trained on how to administer. Sechelt hospital has the naloxone needle kits and local school principals and staff are trained with the spray.

RCMP Staffing Levels

Sunshine Coast RCMP Staffing Levels are at 100%.

Service Dog

A new 8-week old puppy will be coming to the detachment. The puppy will be socialized before entering a formal service dog training program.

ICBC

During Distracted Driving month, ICBC did a campaign with Gibsons Elementary called Think of Me - Leave Your Phone Alone. Drivers suspected of using a cell phone while driving were pulled over and given a warning ticket created by the Elementary School students.

Road Safety Speaker Kevin Brooks will be telling his story at Capilano University on April 19. Topics include: Speed, Impaired driving, distracted driving, dangerous driving and alternatives to getting home safely.

Crimestoppers
