Soames Hill is located in West Howe Sound approximately 3 km from the Langdale Ferry Terminal. The forested park is 150 acres in size and is adjacent to Shirley Macey Park - a popular recreation area with a sports field and community hall. With over 5 km of trails, Soames offers both moderate and strenuous hiking opportunities - through forests, past ravines, and up to the summit of the hill, at 250 m above sea level. If hiking to the summit, you should allow at least 40 minutes each way.
