

Golden Lawn Award Winners

As the heat of the summer continues, many people on the Sunshine Coast are taking “cool” to a whole different level! These individuals have chosen not to water their lawns during the summer months and they are saving thousands of liters of water every week, simply by going gold! Congratulations to the following community members for pioneering and establishing the way for water conservation!

- **Wayne Hannay – The Shores**
- **Norma Hunter – Davis Bay**
- **Christine Kuck - Sechelt**
- **The Dybwad Family – Davis Bay**
