REPORTS

Recommendation No. 2 *Monthly Crime Statistics – January – June 2020*

The Sunshine Coast Policing and Public Safety Committee recommended that the RCMP Monthly Crime Statistics for January – June 2020 be received.

RCMP Update

Sergeant Newman gave an update on local policing.

The Committee had a roundtable conversation concerning reallocation / defunding police, discussing the orientation, decision-making process and resourcing. The Committee queried as to amount of money spent on policing on the Sunshine Coast and how decisions are made regarding the use of these funds. There is still a requirement for increased resources that would support rural policing and public safety – social networks, mental health networks, social services and victims services, etc. SCRD role with policing is advocacy at the senior government level. A volunteer Community Coordinator position, to review all the public safety groups and requirements, was suggested as a consideration of inclusion into the 2021 budget process. Changing the make-up of the Policing and Public Safety Committee was suggested as a topic for the next Policing and Public Safety Committee.

Recommendation No. 3 *Social Service Considerations*

The Sunshine Coast Policing and Public Safety Committee recommended that staff bring forward the Sunshine Coast Regional District Board resolutions, regarding the creation of a Social Services function, to the Strategic Plan Review for consideration.

The Committee discussed the status of overdose prevention and the need for ongoing support for prevention sites in the communities.
