Sunshine Coast firefighters heading to BC Interior to help battle wildfires

Sechelt, BC— July 11, 2017— Due to a province-wide state of emergency Sunshine Coast Regional District (SCRD) fire departments and emergency coordination services have been called to provide assistance in the Cariboo Region and surrounding area.

Careful attention will continue to be paid to ensure proper resources remain on the Sunshine Coast to address any emergency which may arise.

SCRD Fire Departments work very closely together and utilize the Mutual Aid and Automatic Aid Agreements.
