

Seeking Volunteers! - Advisory Planning Commissions

The Sunshine Coast Regional District is seeking advice from passionate and community-minded people who are available to join Advisory Planning Commissions (APCs).

APCs provide advice to the SCRD on issues referred to them regarding land use applications and policy development, the preparation of and changes to an official community plan, or other community development initiatives.

If you are interested in contributing to community planning by serving as a member of one of the SCRD's Advisory Planning Commissions, please provide a written summary of relevant interests and experience to:

Angie Legault, Senior Manager
Administration & Legislative Services
1975 Field Road,
Sechelt, B.C. V0N 3A1
Angie.Legault@scrd.ca

Please specify the Advisory Planning Commission (Egmont / Pender Harbour, Halfmoon Bay, Roberts Creek, Elphinstone or West Howe Sound) that you are interested in. We would love to hear from you!

For more information contact Angie Legault at 604-885-6825. Submissions should be received by January 18, 2019.
