

## News Release

### SCRD Emergency Operations Centre Update #22

Sechelt, BC – December 1, 2021— The SCRDR has activated an Emergency Operations Centre (EOC) to assist in coordinating resources as we deal with a number of water / flood related issues in the Region.

This is update #22 at 4:30 p.m. on Wednesday, December 1

#### **Sandbags**

To better assist residents get prepared for rain events in the Region, the SCRDR's EOC has sand and bags available at Roberts Creek Fire Hall (1302 Roberts Creek Road) and the Sechelt Fire Department (5525 Trail Avenue). Residents are asked to bring their own shovel to fill the sandbags.

The SCRDR wishes to thank Salish Soils for their assistance with the sand supply. Sand will be made available by the SCRDR at other Fire Halls in the coming days, updates will be provided later in the week.

#### **Watch your speed in work zones**

The SCRDR and other agencies such as Capilano Highways have crews working on roads around the Sunshine Coast from dawn to dusk, at times, seven days a week. Residents are asked to please watch your speed in zones where crews are working. Keep it to 30 km/h or under and help us keep all staff who are assisting with our emergency efforts safe.

#### **Roads**

The SCRDR's EOC shares updates when they are available from the Ministry of Transportation and Infrastructure (MOTI). The SCRDR is not responsible for road repair and maintenance in the Region. At this time, the following is the most recent road information provided by MOTI.

- Lower Road at Stephens Road – Repairs continue and an estimated re-opening time / date is not yet available.

Stay tuned to [www.scrd.ca/alerts](http://www.scrd.ca/alerts) and the [SCRDR on Facebook](#) for updates.
