Sechelt Landfill Construction – Update on Accepted Materials

Sechelt, BC – May 27, 2021 — Work is continuing at the Sechelt Landfill as the Sunshine Coast Regional District (SCRD) builds a new public drop-off area at the facility.

This week, machinery arrived on site and work began on compacting the ground (picture below) around the drop-off area which has recently experienced ground disturbance issues. You can learn more about the work being done at the landfill and timelines on completion at <https://letstalk.scrd.ca/sechelt-landfill-project>

Due to this ongoing construction, starting Saturday May 29th until June 30th - the following items **will not be** accepted at the Landfill.

- Cooking oil
- Paint or other Product Care items
- Propane tanks

For these items, you can either hold them until July 1 or you can drop them off at other facilities.

Paint can be dropped off at the facilities below:

- GRIPS - <http://www.penderrecycling.ca/>
- Gibsons Recycling Depot - <https://www.gibsonsrecycling.ca/>

Propane tanks and cooking oil can be dropped off at the Pender Harbour Transfer Station - <https://www.scrd.ca/transfer-station>
