SCRD Activates Emergency Operations Centre in Response to Flood Events

Sechelt, BC – November 15, 2021— The SCRDR has activated an Emergency Operations Centre (EOC) to assist in coordinating resources as we deal with a number of water / flood related issues in the Region.

This is update #1 at 09:30am

Roads

Currently the SCRDR is liaising with agencies including the Ministry of Transportation and Infrastructure Services and Capilano Highways to assess damage on the Sunshine Coast Highway. The EOC is working with local Fire Department's to survey other areas of concern at this time.

Water

Due to a water main that has been compromised by road erosion, SCRDR crews are currently shutting water off in the Redrooff's Area of Halfmoon Bay. An update will be provided as soon as it is available from crews on scene.
