Temporary Recreation Facility Closures for Staff Training

Sechelt, BC – November 18, 2021 – Temporary recreation facility closures will be taking place on **Monday November 22** to allow for mandatory staff training.

The following temporary closures will be in place.

Sechelt Aquatic Centre – The swimming pool and fitness centre will close from 10:30 a.m. to 3:30 p.m.

Pender Harbour Aquatic and Fitness Centre – The swimming pool and fitness centre will close from 10 a.m. to 5 p.m.

Gibsons and District Aquatic Facility – The pool will close at 10 a.m., reopening on Tuesday, November 23 at 6:30 a.m.

This training is extremely important and critical to maintaining operations, while also meeting the annual training requirements as set forth by the Lifesaving Society. The training will include:

- A thorough review of COVID-19 operating protocols
- Lifesaving techniques & rescues
- Fitness Standards
- CPR & First Aid procedures
- Facility Evacuations
- Regulatory Requirements
- Chemicals and Personal Protective Equipment
- Occupational Health & Safety

The SCRD appreciates the community's support as we work to strengthen and build our recreation teams.
