

Statement on the passing of members of the shíshálh Nation

On behalf of the Sunshine Coast Regional District (SCRD) Board and all of our staff, I want to express our condolences to members of the shíshálh Nation on recent deaths they have suffered in their community.

Outside of the SCRD administration building stands a totem that was carved by one of whom we mourn today, talented shíshálh master carver Tony Paul.

The figures on the totem symbolize protection, strength, friendship, unity and our combined strength as a community. It is this strength that we offer to the shíshálh Nation as they deal with their unimaginable loss.
