### **Provincial Health Order – Update for SCRD Facilities**

Sechelt, BC – March 10, 2022 – On March 10, the BC Provincial Health Officer issued new health orders on face coverings in public indoor settings effective March 11 at 12:01 a.m., due to lowered hospitalization and transmission rates.

#### **Changing**

Masks are no longer required in all indoor SCRD facilities.

#### **Not Changing**

Proof of vaccination will continue to be required in any SCRD recreation facility until April 8 at 12:01 a.m.

#### **BC Transit**

Masks are encouraged on public transit but not required.

A full rundown of the most recent public health order changes can be found [here on the BC Provincial Government's](#) website.

The SCRD appreciates the continued support and understanding from the community as staff work to implement health orders that have been set out by the Provincial Government. Any further changes will be communicated to the community once known.
