REED ROAD / GIBSONS / ELPHINSTONE WATER AREA

Drinking Water Problem Corrected

The Boil Water Advisory is Removed

Water samples collected from our water system indicate that it is no longer necessary to boil water prior to consumption. Chlorine levels will be increased for a short period of time and you may detect a stronger chlorine taste and odour. Chlorine levels will be reduced to the normal operating range as soon as possible.

EFFECTIVE: November 24, 2021 9:30 AM

THANK YOU FOR YOUR PATIENCE AND COOPERATION
