# SUNSHINE COAST REGIONAL DISTRICT STAFF REPORT

TO:	Special Corporate and Administrative Services Committee – December 3, 2020
AUTHOR:	Tina Perreault, General Manager, Corporate Services / Chief Financial Officer Tara Crosby, Administrative Assistant-Corporate and Administrative Services
SUBJECT:	RURAL AREAS' GRANT-IN-AID POLICY AND PROCESS

#### **RECOMMENDATION(S)**

THAT the report titled Rural Areas' Grant-in-Aid Policy and Process be received.

#### BACKGROUND

The Regional District has the authority under Section 263(1)(c) of the *Local Government Act* "to provide assistance for the purposes of benefitting the community or any aspect of the community".

In delivering the Sunshine Coast Regional District (SCRD) Rural Areas' Grant-In-Aid program, the SCRD's role is that of a funder, similar to many other funding agencies offering grant programs to community and not-for-profit groups. The purpose of the Rural Areas' Grant-In-Aid Policy and Process is to provide a fair, transparent and responsive yet responsible policy and process for community groups who would like to apply for funding.

During the 2020 application, grant-intake and approval process, the Committee made observations to be brought forward for further consideration and at the November 12, 2020 Board meeting the following resolution was adopted:

#### 364/20 **Recommendation No. 6** 2020 Rural Areas' Grant-in-Aid Debrief

THAT the report titled 2020 Rural Areas' Grant-in-Aid Debrief be received;

AND THAT a Special Corporate and Administrative Services Committee meeting be scheduled prior to the end of 2020 to review the Rural Areas' Grant-in-Aid Policy and Process.

The purpose of this Special Corporate and Administrative Services Committee meeting is to review the Rural Areas' Grant-in-Aid Policy and Process and explore/incorporate any changes the electoral areas would like to make in preparation for the 2021 RAGIA process.

### DISCUSSION

At the Special In-Camera Corporate and Administrative Services Committee meeting held earlier this year, Directors discussed the 2020 applications and for applicants whose events or projects may be affected by COVID-19, made recommendations regarding grants for organizations through RAGIA Functions 121-129.

Staff have compiled recommendations made by the Committee for consideration and these are detailed in the October 22, 2020 Corporate and Administrative Services Committee Staff Report titled 2020 Rural Areas' Grant-in-Aid Debrief (Attachment A)

- Two RAGIA Intakes Per Calendar Year
- Late Applications
- RAGIA Policy and Process Review including application and documents requested from Applicants (Attachment B and C)
- Effect on Rural Area's Grant-in-Aid if a Social and Community Services function is to be considered.

#### Financial Implications

Changes to the RAGIA Policy, such as two intakes, will likely have financial implications. Therefore, any changes to the Policy should be made in time for the 2021 Financial Plan Bylaw and Grant-in-Aid process.

#### Communications Strategy

Notification of grant applications will be sent to recipients. The SCRD also includes a detailed list of all the community groups who have received rural grant-in-aid funding in the corporate Annual Report (List attached as Attachment D).

#### STRATEGIC PLAN AND RELATED POLICIES

The Electoral Areas Grant-in-Aid funding aligns with the Board's Strategic Focus Area of Working Together and is administered by the Rural Areas' Grant-in-Aid Policy 5-1850-1.

#### CONCLUSION

The Regional District has the authority under Section 263(1)(c) of the *Local Government Act* "to provide assistance for the purposes of benefitting the community or any aspect of the community". The purpose of this Special Corporate and Administrative Services Committee meeting is to review the Rural Areas' Grant-in-Aid Policy and Process and explore/incorporate any changes the electoral area would like to make in preparation for the 2021 RAGIA process.

# SUNSHINE COAST REGIONAL DISTRICT STAFF REPORT

TO:	Corporate and Administrative Services Committee – October 22, 2020
AUTHOR:	Tina Perreault, General Manager, Corporate Services / Chief Financial Officer Tara Crosby, Administrative Assistant-Corporate and Administrative Services
SUBJECT:	2020 RURAL AREAS' GRANT-IN-AID DEBRIEF

### **RECOMMENDATION(S)**

THAT the report titled 2020 Rural Areas' Grant-in-Aid Debrief be received.

#### BACKGROUND

The Regional District has the authority under Section 263(1)(c) of the *Local Government Act* "to provide assistance for the purposes of benefitting the community or any aspect of the community". The Rural Areas Grant-in-Aid (RAGIA) Policy 5-1850-1 (Attachment A) states "The funding of Rural Areas' Grant-in-Aid is provided by the Sunshine Coast Regional District's (SCRD) five (5) unincorporated Electoral Areas being Egmont/Pender Harbour (Area A), Halfmoon Bay (Area B), Roberts Creek (Area D), Elphinstone (Area E), and West Howe Sound and Islands (Area F)."

On May 4, 2020 the Corporate and Administrative Services Committee convened to review RAGIA applications and recommend grants to organizations. A total of \$89,228 was approved as grants to various organizations from the discretionary line item. Overall funding from RAGIA functions including the above discretionary approved, Halfmoon Bay Restorative Justice, Youth Outreach, School District 46 bursaries and Pender Harbour Community Schools Recreation Programs totaled \$152,032. A RAGIA funding history report is attached (Attachment B) for comparison of annual funding allocation.

During the application and grant intake and approval process, the Committee made observations to be brought forward for further consideration. The purpose of this report is to provide an overview of the 2020 process and explore/incorporate any changes the electoral area would like to make in preparation for the 2021 RAGIA process.

### DISCUSSION

At the Special In-Camera Corporate and Administrative Services Committee meeting held on May 4, 2020 and due to COVID-19 pandemic at the June 25, 2020 In-Camera Corporate and Administrative Services Committee meeting. Directors discussed the 2020 applications and for applicants whose events or projects may be affected by COVID-19, made recommendations regarding grants for organizations through RAGIA Functions 121-129.

One recommendation was made for two RAGIA application intakes per year, excerpt as follows:

025/20 AND FURTHER THAT staff report to a future Corporate and Administrative Services Committee meeting with options, budget implications and timelines for providing two Rural Areas' Grant-in-Aid intakes per year.

There is precedent where late applications have been received outside of the regular process which do not meet the current policy guidelines (time sensitive). The late applications have typically been put forward to the Board for consideration, whereas, two intakes may provide a more equitable opportunity for community groups as a whole.

The Board has considered conducting workshops to discuss and revise the RAGIA Policy though no formal recommendation has been made to this effect. Previous recommended actions to review have been as follows:

- Policy application guidelines;
- Review "Section 1.10 Rural Areas' Grant-in-Aid will not be approved for:";
- "Section 1.18 Rural Areas' Grant-in-Aid Preference will be given to the following:";
- Add definitions for fire and safety equipment, capital projects and purchases, etc.;
- Review the type of information included in the applications packages; and determine whether applications should be included in the Economic Development considerations or RAGIA.

### Two RAGIA Intakes Per Calendar Year

If there were to be two RAGIA intakes per year staff suggest one in the standard March timing and one July. The March process begins in February with advertising, deadline for applications end of March / start of April, deliberations and Board resolutions in May, letters sent to applicants regarding decisions and ending August 1 with payments that are aligned with tax requisition determinations. A July intake would need to be shorter in duration in order for grant recipients to complete the project or event prior to SCRD year end. Advertising would start in June with deadline for applications end of July / start of August, deliberations would likely be a Special Corporate and Administrative Services committee Meeting beginning of September with letters upon adoption of the recommendation and cheques to follow shortly thereafter.

Financial requirements for Functions 121-129 would be additional administration, advertising and a review of the budget requirements in discretionary amounts for these functions.

Policy considerations for the community groups with applications later in the year would be if the funds could be expended within the same fiscal year as carry-overs into another fiscal year would be a challenge to manage.

If a second intake with the schedule suggested was adopted by the Board, the RAGIA Policy would be updated to reflect all the amendments and brought forward for approval.

#### Late Applications

In the RAGIA Policy Section 1.1 addresses late application guidelines as follows:

- 1.1 If an applicant's project, program, service or special event is time sensitive where:
  - a. funding is required prior to the application deadline date (on or before April 1st) and / or the August 1st payment date; or
  - b. funding for a project that was not realized by the announced application deadline date and / or the August 1st payment date;

the applicant may submit an application to the SCRD to be brought forward to a standing committee for review. The applicant must use the Rural Areas' Grant-in-Aid application form and comply with the requirement and criteria of this Policy and provide justification for late application.

Late applications may be addressed by a second intake. Currently these applications require staff administration time and Board decision. For transparency and fairness to all applicants who have planned for the submission deadline in March / April, staff suggest that this section be moved in the RAGIA policy as a standalone Section.

#### RAGIA Policy Review

Given the nature of the deliberations and the Board's interest in fairness to applicants, staff suggest a full review of the RAGIA Policy at a Special Meeting for this purpose. The Committee referenced the number of edits that the Policy has undergone since 2001.

A history of the changes to the policy or discussions surrounding the policy is listed below for the Committee's information:

- Organizations receiving grants for similar programs or events on an ongoing basis and for operational purposes has been a topic of discussion over many years with no resolution. This is not in line with the Local Government Act and the SCRD's Auditors have also done a review and recommended this be addressed;
- A consideration to reduce the amount of documentation included in the application packages (Resolution 124/03 #12 March 13, 2003) was brought up as a suggested, though only the following was resolved and this was not added to the Policy that staff have been able to determine:
  - AND THAT the Grant-In-Aid Policy be amended to eliminate the requirement for audited financial statements from societies/organizations with an annual budget over \$100,000.
- A review of scholarships, bursaries and subsidies was completed in 2006 and again in 2008 and is detailed in Sections 1.4, 1.5 and 1.6 of the current RAGIA Policy.
- In 2007 the Board resolved to address criterion for organizations funded in previous years (ongoing) and where one organization may be making multiple applications for funding of various of their programs limit be capped at \$5,000 maximum grant for the total of these applications, though it was later resolved:

- AND FURTHER THAT the GIA Advisory Committee be advised that, with respect to the concern around multiple applications by one organization, the board feels that, provided the funding is requested for completely separate projects, multiple applications may be accepted from one organization.
- The Board resolved that the policy was to also be amended to say "travel costs to Provincial championships do not meet the criteria" and "Board decisions are final" though staff are unable to find the status of these statements which do not appear in the current version of the policy.
- In 2007 the following was added to the Policy and still form part of the wording in the current version:
  - Applicants are required to provide detailed project budgets including where all funding for the project will come from.
  - Applicants are required to explain how their project will benefit either the "Local" or "Regional" Community.
  - Applicants are required to indicate if they are submitting the application on behalf of another organization.
- In 2008 at a Special Corporate and Administrative Services Committee meeting the Directors discussed the process for the RAGIA program and this forms part of the current RAGIA Policy.
- In 2009 the Board amendments to the Policy were adopted which remain in the current version, there is an exception that though this statement was removed from the Policy, it was later requested that the letters to applicants include this information "Individual award letters will include the breakdown of which electoral areas contributed to the grant.".
- In 2012 the Policy was amended to include the following wording and information:
  - The funding of Rural Area Grant-In-Aid is provided by the unincorporated areas of Egmont/Pender Harbour – Area A, Halfmoon Bay – Area B, Roberts Creek – Area D, Elphinstone – Area E and West Howe Sound – Area F only.
  - All project applications that have a measurable benefit to communities outside of these areas are required to apply to the appropriate municipal grants-of-assistance programs (Town of Gibsons, District of Sechelt or Sechelt Indian Government District).";
  - Links to the Municipal grants-of assistance programs and deadlines for those applications be included in the SCRD Rural Areas Grant-In-Aid website information and advertising;
  - A copy of the Rural Areas Grant-In-Aid advertisement, when ready for submission, be sent to Area Directors for inclusion in their local newsletters.
- Fire Protection and Life Safety Equipment applications, especially for areas outside the SCRD Fire Protection Boundaries have been considered over the last 7 years as potential liability to the SCRD and therefore the policy was been amended to include wording to this effect.

- In May 2013 the Board made the resolution #208/13 21 (excerpt below) and therefore staff completed a full review of the policy including comparisons to other local governments RAGIA programs. An amended policy was presented to the Corporate and Administrative Services Committee in October 2013:
  - AND THAT staff draft a Rural Areas Grant-in-Aid Policy for consideration that includes the following: • include a process for unclaimed bursary amounts; • provide a contingency for late (emergent) items received where Directors have recommended consideration; • allow for those applications that require funding outside the timelines; • change the Rural Grant-In- Aid Application deadline to April 1 of each year
  - AND FUTHER THAT staff responsible for Grant-in-Aid contact staff at the District of Sechelt and the Town of Gibsons regarding the coordination of Grant in Aid applications and processes and come back with recommendations.
- With the following amendments made the Board adopted the Policy by resolution #500/13 9 on November 14, 2013:
  - In the Policy Section 1 first bullet change wording to "...in order to assist non-profit societies and registered charitable organizations / societies...";
  - In all instances of the wording "Future applications from recipients not fulfilling this requirement will automatically be rejected" remove the words "will automatically" and replace with "may".
- Staff were requested to work to coordinate the Grant-in-Aid processes with the member municipalities. Due to fiscal timelines and various avenues of funding support streams available it was determined that the process were difficult to align.
- Further changes to the policy were adopted in 2015 as follows:
  - Minor wording changes for clarity;
  - revise the Rural Area's Grant-in-Aid Policy to describe acceptable reasons for late applications and provide parameters for emergency/early approval and/or disbursements of funds prior to the August 1 policy date (i.e. using funds from prior surplus, etc.), and provide a procedure for submission of any grant requests outside of the normal process.
- In 2018 staff reorganized the content of the Policy to better align with Section categories and the flow of the document and to provide complete transparency and avoid confusion with community organizations or societies, under Section 1.10 a bullet was added as follows:
  - 1.10 Rural Areas' Grant-in-Aid will not be approved for:
     Capital costs for equipment or improvements to owned properties;
     Fire Suppression and Life or Emergency Safety Equipment.
- A Debrief of the RAGIA process was requested in 2019 and 2020.

- In 2020 options for two intakes of RAGIA applications has been requested and included in this report.
- A Social and Community Services function has also been considered and a report to the effect has been included as part of the October 22, 202 CAS meeting.

#### Financial Implications

Changes to the RAGIA Policy, such as two intakes, will likely have financial implications. Therefore, any changes to the Policy should be made in time for the 2021 Financial Plan Bylaw and GIA process.

#### Communications Strategy

Notification of grant applications will be sent to recipients. The SCRD also includes a detailed list of all the community groups who have received rural grant-in-aid funding in the corporate Annual Report.

#### STRATEGIC PLAN AND RELATED POLICIES

The Electoral Areas Grant-in-Aid funding aligns with the Boards Strategic Focus Areas of Working Together and is administered by the Rural Areas' Grant-in-Aid Policy 5-1850-1.

#### CONCLUSION

The Regional District has the authority under Section 263(1)(c) of the *Local Government Act* "to provide assistance for the purposes of benefitting the community or any aspect of the community". This report is provide to highlight areas for discussion from the conclusion of the 2020 RAGIA process. Staff request the Committees direction regarding two intakes of the RAGIA Application process and suggest that a Special Committee to review the 5-1850-1 Rural Areas' Grant-in-Aid Policy and discuss the RAGIA process be considered.

- 1.25 The society / organization will complete and submit the Reporting Out form no later than January 31 of the year immediately following the year for which the Rural Areas' Grant-in-Aid was provided.

# 2. REASON FOR POLICY

- 2.1 To provide a process to enable the Electoral Area Directors to make fair and equitable recommendations to the SCRD Board on behalf of their respective areas in the granting of funds to the community.
- 2.2 The goal of this policy is to establish open and transparent guidelines for the evaluation and distribution of Rural Areas' Grant-in-Aid, respecting the limited financial resources available for this purpose.
- 2.3 The SCRD Board has an obligation to all of its citizenry to protect the SCRD from exposure to unacceptable liability that could arise as a result of its funding relationships.

# 3. AUTHORITY TO ACT

- 3.1 Local Government Act, Section 263 (1) (c).
- 3.2 The SCRD Board has both statutory and budgetary limitations on Rural Areas' Grant-in-Aid and wish to ensure that these funds are disbursed as fairly and equitably as possible to deserving applications with due regard to the degree of benefit that will result to the residents of the Sunshine Coast communities. Therefore the SCRD Board has full discretion whether grants are allocated and for what amounts and all decisions are final.

### 4. PROCEDURE

- 4.1 Each year, as part of the budget process, the SCRD Board will establish a maximum amount for Rural Areas' Grant-in-Aid funding for the following year's budget.
- 4.2 In mid-February of each year, on the SCRD website and through local media, as appropriate, the SCRD will advertise for the five (5) Electoral Areas collectively inviting the submission of applications on or before April 1<sup>st</sup> (see policy sections 1.16 and 1.17)
- 4.3 After April 1st, staff will complete and attach the "office use only" summary report to each of the applications received, confirming eligibility requirements and criteria. Staff will redact personal information for individuals and photocopy all applications to provide the Electoral Area Directors along with an alphabetized summary of applicants with requested amounts. The Electoral Area Directors will also receive a full set of applications electronically.

- 4.4 Electoral Area Directors will each conduct a preliminary review of all applications to determine those that will be awarded a grant from their area and the desired contribution amount. Each Electoral Area Director may have a community consultative process to assist them in their deliberations. Once the individual review is completed, the Electoral Area Directors will meet as a group to review and discuss their decisions. When the award decisions are final, they will be brought forward to a standing committee for a recommendation directing staff to prepare cheques as well as award and denial letters for distribution to the applicants.
- 4.5 Due to the volume of applications, individual presentations to the Board are discouraged and will be considered only in exceptional circumstances.
- 4.6 Once grant monies have been expended, the successful applicants must notify the SCRD in writing, providing an evaluation of the use of the funds on the Reporting Out form supplied with the application or via letter to the SCRD Board. Future applications from recipients not fulfilling this requirement may be rejected.
