ADDITIONAL INFORMATION ABOUT TIPPING FEES

- Pender Harbour Transfer Station cannot accommodate bins larger than 20 yards. Please deliver these directly to the Sechelt Landfill. This includes bins over 20 yards containing partial loads.
- Tipping fees cover the cost of operations and recycling at the Sechelt Landfill and Pender Harbour Transfer Station sites.
- All fees referred to are subject to a \$5 minimum charge and \$10 minimum charge for non-separated loads. Fees will be rounded up or down to the nearest quarter of a dollar.

*Gypsum & Asbestos Testing

There are strict testing requirements for used drywall and materials that may contain asbestos.

Please check www.scrd.ca/asbestos for information on how to comply *before beginning your work*.

The following materials require asbestos testing:

- Drywall/Gypsum Board (painted or hung on a wall)
- Drywall joint compound
- Ceiling tiles
- Cement (transite) panels
- Fire retardant cement board
- Flooring: vinyl tiles and linoleum sheet flooring; flooring adhesives
- Stucco
- Textured ceilings and coatings

Save space in the landfill by sorting your waste. Consider donating items for reuse and recycle as much as you can.

Visit www.rcbc.ca for an up-to-date database on what can be recycled and where.
