SUNSHINE COAST REGIONAL DISTRICT STAFF REPORT

TO: Regular Board – November 9, 2023

AUTHOR: Sherry Reid, Corporate Officer

SUBJECT: **GIBSONS AND DISTRICT FIRE SERVICE BOUNDARY EXTENSION**

RECOMMENDATION(S)

(1) THAT the report titled Gibsons and District Service Boundary Extension be received for information;

(2) AND THAT *Gibsons/West Howe Sound Fire Protection Service Amendment Bylaw No. 1027.9, 2023* be considered for three readings.

BACKGROUND

The SCRD has been requested to extend the boundary for the Gibsons/West Howe Sound Fire Protection Service area to include Plan VAP3874, Lot 45, District Lot 3198 NWD (959 Henry Road) in the service area.

Requests to amend a service area boundary, to either add or remove parcels, are addressed in accordance with the *Regional District Establishing Bylaw Approval Exemption Regulation* through a Petition process. Attachment A of this report sets out the Petition process.

DISCUSSION

A sufficient petition has been received from the property owner at 959 Henry Road. A context map has been provided in Attachment B to show the extent of boundary amendment requested. Amendment of the service establishing bylaw requires that in addition to receiving sufficient petition from the majority of property owners petitioning to join the service, consent on behalf of the electors already in the service must be given by at least two-thirds of the participants in the service area. The Directors for Area E, Elphinstone, and Area F, West Howe Sound, must therefore consent in writing to adoption of this bylaw on behalf of the electors. In addition, a letter will be sent to the Town of Gibsons requesting municipal consent via council resolution indicating support for the service boundary amendment.

An amendment bylaw for *Gibsons/West Howe Sound Fire Protection Service Amendment Bylaw No. 1027* has been prepared and is attached for the Board's consideration for three readings.
