Recommendation No. 5 *Halfmoon Bay Community Hall - Project Definition Report*

The Electoral Area Services Committee recommended that the report titled Halfmoon Bay Community Hall - Project Definition Report be received for information.

The Committee recessed at 10:33 a.m. and reconvened at 10:39 a.m.

REPORTS**Recommendation No. 6** *Zoning Bylaw No. 722 Revision*

The Electoral Area Services Committee recommended that the report titled Zoning Bylaw No. 722 Revision be received for information;

AND THAT *SCRD Bylaw Revision Authorization Bylaw No. 760, 2023*, a bylaw to authorize revision of *SCRD Zoning Bylaw No. 722, 2019*, be forwarded to the Board for three readings and adoption;

AND FURTHER THAT, pending adoption of *Bylaw No. 760, SCRZD Zoning Bylaw No. 722, 2019, Revision Bylaw No. 761, 2023* be forwarded to the Board for three readings and adoption.

Recommendation No. 7 *Temporary Moveable Small Home Pilot Project Update*

The Electoral Area Services Committee recommended that the report titled Temporary Moveable Small Home Pilot Project Update be received for information.

Recommendation No. 8 *Forestry Referrals: BC Timber Sales (BCTS) Operating Plan (CRN00155) 2023-2027*

The Electoral Area Services Committee recommended that the report titled Forestry Referrals: BC Timber Sales (BCTS) Operating Plan (CRN00155) 2023-2027 be received for information;

AND THAT the following comments be provided to BC Timber Sales by October 27, 2023:

(i) SCRZD does not support the logging and construction of McNR005 due to it being located within a Community Watershed, as well as the potential impact to downstream SCRZD assets of the Dakota Creek berm and Hillside Industrial Park;

(ii) SCRZD recommends that in advance of proposing/ engineering cutblocks on Mount Elphinstone near Roberts Creek, that a review of the cumulative impact to ground water resources of Aquifer 555 by qualified experts selected by Local Government water service providers be completed. Historical and any proposed forestry activities for the next 5 years, and climate change considerations should be considered as part of such assessment;

(iii) SCRZD is concerned about the cumulative impacts of resource activity, including deforestation, that is proposed on or near Aquifer 555, which supports private wells that are not within the SCRZD Regional Water Service Area and thus do not have access to other sources of water;

(iv) SCRZD requests BCTS complete a Watershed Assessment for the Roberts Creek watershed and implement assessment findings prior to further design or auctioning of the proposed cutblocks within this area;

(v) SCRZD emphasises the need for BCTS follow the recommendations of the Mt Elphinstone South Watershed Assessment Phase 1 and 2 for all currently proposed or auctioned blocks in order to avoid increasing current Peak Flow Hazards.

Recommendation No. 9 *Development Variance Permit DVP00087 (13305 Kammerle Road)*

The Electoral Area Services Committee recommended that the report titled Development Variance Permit DVP00087 (13305 Kammerle Road) be received for information;

AND THAT Development Variance Permit DVP00087 (13305 Kammerle Road), to vary Zoning Bylaw 337, Section 1011.6, to increase the parcel coverage allowance from 15% of parcel area to 18.7%, be issued.

The Chair invited public comments for Development Variance Permit Application DVP00087 (13305 Kammerle Road).

Jef Keighley, 13305 Kammerle Road, Applicant, provided comments regarding the shíshálh Nation Preliminary Field Reconnaissance (PFR) requirements for Development Variance Permit Application DVP00087.

Recommendation No. 10 *Halfmoon Bay Childcare Centre – Electoral Areas’ Grant-in-Aid*

The Electoral Area Services Committee recommended that the report titled Halfmoon Bay Childcare Centre – Electoral Areas’ Grant-in-Aid be received for information;

AND THAT the proposed change in funding purpose as requested by the Halfmoon Bay Childcare Centre to reallocate \$4,980 in Electoral Areas’ Grant-in-Aid funds from school bus rental for summer programs to emergency food supplies and garden expansion, be authorized by the SCRD Board.

Recommendation No. 11 *Egmont/Pender Harbour (Area A) APC Meeting Minutes of September 27, 2023*

The Electoral Area Services Committee recommended that the Egmont/Pender Harbour Advisory Planning Commission meeting minutes of September 27, 2023 be received for information.

Recommendation No. 12 *Halfmoon Bay (Area B) APC Meeting Minutes of September 26, 2023*

The Electoral Area Services Committee recommended that the Halfmoon Bay Advisory Planning Commission meeting minutes of September 26, 2023 be received for information.

Recommendation No. 13 *Roberts Creek (Area D) APC Meeting Minutes of September 18, 2023*

The Electoral Area Services Committee recommended that the Roberts Creek Advisory Planning Commission meeting minutes of September 18, 2023 be received for information.

Recommendation No. 14 *Elphinstone (Area E) APC Meeting Minutes of September 26, 2023*

The Electoral Area Services Committee recommended that the Elphinstone Advisory Planning Commission meeting minutes of September 26, 2023 be received for information;

AND THAT Recommendation No. 3 from the Elphinstone Advisory Planning Commission meeting minutes of September 26, 2023 be adopted and acted upon as follows:

Recommendation No. 3 *Forestry Referrals: BC Timber Sales Operating Plan (CRN00155) 2023-2027*

The Area E APC recommended that the staff analyses and recommendations be supported;

AND THAT the staff analyses and recommendations be sent directly to the MLA, the Minister responsible, and the Premier.

Recommendation No. 15 *West Howe Sound (Area F) APC Meeting Minutes of
September 26, 2023*

The Electoral Area Services Committee recommended that the West Howe Sound Advisory Planning Commission meeting minutes of September 26, 2023 be received for information.

SUNSHINE COAST REGIONAL DISTRICT STAFF REPORT

TO: SCRD Board – October 26, 2023

AUTHOR: Marc Sole, Manager, Solid Waste Services

SUBJECT: **REQUEST FOR PROPOSAL (RFP) 2335001 CONTRACT AWARD - DRYWALL TESTING AND ABATEMENT SERVICES**

RECOMMENDATION(S)

- (1) THAT the report titled Request for Proposal (RFP) 2335001 Contract Award – Drywall Testing and Abatement Services be received for information;**
 - (2) AND THAT a contract be awarded to PGL Environmental Consultants for drywall testing services up to a maximum of seven (7) years and a value of up to \$360,000 (excluding GST);**
 - (3) AND THAT a contract be awarded to Proactive Hazmats and Environmental Ltd. for drywall abatement services up to a maximum of seven (7) years and a value of up to \$502,000 (excluding GST);**
 - (4) AND THAT the delegated authorities be authorized to execute the contracts;**
 - (5) AND FURTHER THAT the revised amounts be included in the Draft 2024-2028 Financial Plan.**
-

BACKGROUND

The Sunshine Coast Regional District (SCRD) accepts drywall for recycling at its Pender Harbour Transfer Station and Sechelt Landfill sites. Under staff supervision, in accordance with a rigorous acceptance procedure, the public places drywall into 40-yard bins, when the bins are full they are hauled to New West Gypsum in New Westminster for recycling under a separate contract. New West Gypsum requires that drywall sent to their facility be asbestos free.

Prior to leaving the sites and being delivered to New West Gypsum, each 40-yard bin of drywall is tested by a contracted qualified professional for asbestos at approximately every three (3) tonne interval. Each 40-yard bin holds approximately 8.3 tonnes of drywall. Loads testing positive must be abated at the SCRD site by a contracted qualified professional as they cannot be landfilled or recycled.

In accordance with the SCRD's Procurement Policy, an RFP was issued seeking qualified companies to provide drywall testing and abatement services at our sites.

The purpose of this report is to seek Board approval to enter into an agreement with PGL Environmental Consultants for drywall testing services, and Proactive Hazmats and

Environmental Ltd. for drywall abatement services. As each of the contract values are above \$100,000, these agreements require Board approval.

DISCUSSION

RFP Analysis

Two (2) proposals were received which met the specifications as outlined in the RFP. Led by the SCRD’s Purchasing and Risk Management Division, the evaluation team consisted of three (3) staff members who reviewed and scored the proposal against the criteria set out in the RFP.

Staff recommend that a contract for drywall testing services be awarded to PGL Environmental Consultants in the amount up to \$360,000, and that a contract for Drywall Abatement Services be awarded to Proactive Hazmats and Environmental Ltd. in the amount up to \$502,000.

The proposed term for both contracts are four (4) years with the option to extend up to three (3) additional one-year terms.

Financial Implications

Drywall testing and abatement is funded from taxation at \$125,000 annually. The draft 2024-2028 Financial Plan will require annual budget increases to accommodate proposed contract values for Year 2 moving forward as outlined in the table below.

	PGL Environmental Consultants	Proactive Hazmats and Environmental Ltd	Total	Budget	Funding Shortfall
Year 1	\$51,420	\$71,746	\$123,166	\$125,000	NA
Year 2	\$53,991	\$71,746	\$125,737	\$125,000	\$737
Year 3	\$56,690	\$71,746	\$128,436	\$125,000	\$3,436
Year 4	\$59,525	\$71,746	\$131,271	\$125,000	\$6,271
Year 5 (Optional)	\$62,501	\$71,746	\$134,247	\$125,000	\$9,247
Year 6 (Optional)	\$65,626	\$71,746	\$137,372	\$125,000	\$12,372
Year 7 (Optional)	\$68,907	\$71,746	\$140,653	\$125,000	\$15,653
Total Contract Values	\$360,000	\$502,000			

STRATEGIC PLAN AND RELATED POLICIES

The purchasing process followed for these services is aligned with the SCRD Procurement Policy.

CONCLUSION

The SCRD accepts drywall for recycling at the Pender Harbour Transfer Station and Sechelt Landfill. Despite rigorous acceptance procedures, additional testing is required to ensure that no loads of drywall have asbestos containing materials in them when they leave our sites. In the event that a test comes back positive, abatement services are required by a qualified professional.

Staff recommend entering into a contract with PGL Environmental Consultants for drywall testing services for an amount not to exceed \$360,000, and Proactive Hazmats and Environmental Ltd. for drywall abatement services for an amount not to exceed \$502,000.

SUNSHINE COAST REGIONAL DISTRICT STAFF REPORT

TO: SCRD Board – October 26, 2023

AUTHOR: Marc Sole, Manager, Solid Waste Services

SUBJECT: METAL CONTAINER, HAULING AND RECYCLING SERVICES – CONTRACT EXTENSION

RECOMMENDATION(S)

- 1) **THAT the report titled Metal Container, Hauling and Recycling Services - Contract Extension be received for information;**
 - 2) **AND THAT the contract for metal container provision, hauling, and recycling services be extended to Salish Environmental Group Inc. for an additional one (1) year period to October 31, 2024, at a value up to \$320,320 with the total contract value of \$710,000;**
 - 3) **AND THAT the delegated authorities be authorized to execute the contract;**
 - 4) **AND FURTHER THAT the revised amounts be included in the Draft 2024-2028 Financial Plan.**
-

BACKGROUND

The Sunshine Coast Regional District (SCRD) has a contract with Salish Environmental Group Inc. (Salish) to provide container, transportation and recycling services for metal diverted from the Sechelt Landfill and Pender Harbour Transfer Station.

The purpose of this report is to seek Board approval for an extension to the current metal container, hauling, and recycling services contract, which expires on October 31, 2023.

DISCUSSION

The SCRD metal recycling program provides two locations for metal to be dropped off for recycling, the Pender Harbour Transfer Station and the Sechelt Landfill. Currently, Salish provides container hauling and recycling services for metal delivered to both sites. Once containers are full, Salish removes the metal from these sites and delivers it to a metal recycler in the Vancouver area.

Financial Implications

The hauling and recycling of metal is funded through a tipping fee of \$150 per tonne and through metal revenues from the recyclers. The actual total annual costs for metal recycling are based on the tonnage of metal received at the SCRD sites and the amount of metal tonnage per container hauled to the recycler. An increase in the amount of metal received or a reduction in the tonnage per container results in higher costs for hauling.

The current approved annual budget for this service is \$333,378. After an evaluation of 2023 expenditures the costs for 2024 are estimated at \$320,320. Therefore, this amount can be

funded through our current base budget and does not trigger an amendment to the financial plan.

	Cost
Original Contract Value – 1 year	\$390,000
First Contract Extension Value (1 year)	\$320,320
Total Contract Value	\$710,000

STRATEGIC PLAN AND RELATED POLICIES

The metal recycling service supports the strategy of achieving sustainable solid waste management from the SCRD’s 2019 - 2023 Strategic Plan.

CONCLUSION

The SCRD entered into a one-year contract in 2022 with Salish for metal container, hauling and recycling services for metal received at the Pender Harbour Transfer Station and Sechelt Landfill. Staff recommend extending the contract for one (1) year at \$320,000, and a maximum contract value of \$710,000.

SUNSHINE COAST REGIONAL DISTRICT STAFF REPORT

TO: SCRD Board – October 26, 2023

AUTHOR: Marc Sole, Manager, Solid Waste Services

SUBJECT: SEHELTL LANDFILL OPERATIONS CONTRACT EXTENSION

RECOMMENDATION(S)

- (1) THAT the report titled Sechelt Landfill Operations Contract Extension be received for information;**
 - (2) AND THAT the contract for Sechelt Landfill Operations be extended to Sicotte Bulldozing Ltd. for an additional one (1) year period to November 30, 2024, and a value up to \$852,320 with the total contract value of \$1,635,916;**
 - (3) AND THAT the delegated authorities be authorized to execute the contract;**
 - (4) AND THAT the budget for Sechelt Landfill site operations be increased by \$32,910 to \$852,320 funded \$438,916 through taxation and \$413,404 through tipping fees;**
 - (5) AND FURTHER THAT the revised amounts be included in the draft 2024-2028 Financial Plan.**
-

BACKGROUND

The Sechelt Landfill operates as an active landfill site for commercial haulers and as a public tipping site for residents of the Sunshine Coast. Sunshine Coast Regional District (SCRD) staff site attendants operate the scale house and public drop-off site, and an SCRD superintendent coordinates and oversees the overall running of the site. Site operation services are provided by contractor Sicotte Bulldozing Ltd. and include maintenance of the active face, adding cover, waste compaction, surface water control and site drainage, maintenance of access roads and tipping pad, snow removal, fire control, litter control, handling and disposal of controlled waste, and maintenance of the public drop-off areas. These services are all required for the safe and effective operation of the landfill site.

The current contract for landfill operations consists of a base monthly fee for the daily landfill operations work and additional charges for irregular or unforeseen work (extra work).

The purpose of this report is to seek Board approval for an extension to the current Sechelt Landfill operations contract, which expires on November 30, 2023.

DISCUSSION

In May 2022 the SCRD issued a Request for Proposals (RFP) for the Sechelt Landfill Operations Contract. One compliant bid was received. Staff reviewed the bid and concluded that it exceeded the available budget for the services; subsequently the RFP was closed and next steps for effective short and long-term delivery were considered.

In 2022 staff initiated the work to confirm options for a long-term operational model that is viable, realistic, and more cost effective. Due to staff turnover in critical positions to complete this work, more time is needed to conclude these assessments. It is estimated that subsequent options will be presented to the Board for consideration in a timely manner to implement a new long-term solution as of December 1, 2024.

While staff are continuing to develop options for the future of the Sechelt Landfill site, an interim solution is required to allow the site to stay operational after December 1, 2023. Staff negotiated a contract with the current contractor in 2022 for one (1) year, with the option to extend for one (1) additional year in accordance with the SCRD’s Procurement Policy. This contract will be the final allowable extension. The extended one (1) year value would be \$832,320 for one (1) year of daily operations, plus an additional \$20,000 for extra work, for a total two (2) year contract value of \$1,635,916.

Financial Implications

The table below outlines the financial implications of this proposed contract extension.

	Cost
Original Contract Value – 1 year	\$783,596
First Contract Extension Value (1 year)	\$852,320
Total Contract Value	\$1,635,916

This contract extension exceeds the current budget for this service by \$32,910. The extent to which this exceedance could trigger a potential budget shortfall for the overall operating budget for the Sechelt Landfill in 2024 is to be further assessed. The increase to the base budget for the landfill of \$32,910 is recommended to be funded through Taxation to allow staff time to evaluate other viable funding options for implementation after December 1, 2024..

Timeline for next steps

If approved by the Board, the contract extension will be executed prior to December 1 to allow for seamless service delivery.

A staff report with options for the operations of the landfill after December 1, 2024 will be brought forward by Q2 2024 to allow for a timely implementation of the Board approved option.

STRATEGIC PLAN AND RELATED POLICIES

N/A

CONCLUSION

The current Sechelt Landfill operations contract expires on December 1, 2023. Staff recommend extending the contract with the current landfill operator, Sicotte Bulldozing Ltd., for one (1) year at \$832,320, and a maximum contract value of \$1,635,916.

Subject: Submission to the Board - Letter of Support Request from the xwesam/Roberts Creek Community Association
Date: October 12, 2023 12:01:10 PM

External Message

Dear SCRD Board,

The xwesam/Roberts Creek Community Association would like to thank the SCRD for their letter of support in July 2023, which helped us secure generous funding from the Province of BC's Destination Development Fund for the installation of a new septic system and water main at the Roberts Creek Community Hall. We are thrilled to be moving forward with this project, which will complete our major renovation of this valuable community hub.

We are now preparing an application for the Province of BC's Rural Economic Diversification and Infrastructure Program (<https://www2.gov.bc.ca/gov/content/employment-business/economic-development/support-organizations-community-partners/rural-economic-development/redip>). Our project aims to engage a full-time Coordinator so as to build internal capacity for economic development in Roberts Creek that is in line with the SCRD's Regional Growth Framework. The xRCCA is hoping that the SCRD could provide a letter of support that we could include with our application, which is due October 30th.

As always, we are most grateful for your ongoing support of our community association.

Kind regards,

Karen

Vice President

xRCCA

Squamish Nation

NCH'KAY

K

Sunshine Coast Regional District
1975 Field Rd
Sechelt, BC
V7Z 0A8

via e-mail to: leonard.lee@scrd.ca

Dear Chair Leonard Lee;

Earlier this year, the Squamish Nation announced a 14-month moratorium on unsolicited development proposals while the Nation focused on Land Development Strategies on five sites — including one adjacent to your municipality.

This Nation-led initiative also includes the creation of the first Long Range Capital Plan that will identify, prioritize, and determine funding needs for important member amenities and facilities (e.g., Elders care home, healing centre, new administrative offices, language and cultural centres, schools, and childcare centres).

A focus will also be on making a significant contribution to the major social issue facing Metro Vancouver and surrounding areas: the pressing housing shortage. Developing our land and assets not just for our benefit, but for the benefit of our sister communities in the region, is in keeping with Squamish values.

This project will be reconciliation in action — a real, tangible demonstration that when Indigenous people develop their assets under their own sovereign authority, everyone benefits.

I am reaching out to you today to inform you that we have engaged two multidisciplinary teams who are experts in urban planning, urban design, land economics, cultural design, and engineering. Both teams include Skw̓x̓wú7mesh design professionals ensuring the integration of Skw̓x̓wú7mesh values and culture as foundational to this initiative.

We wish to develop successful partnerships with our key municipal stakeholders from the outset and would like to arrange for a preliminary meeting with your Planning, Development Services, and Engineering departments. Our project lead Lauren English (lauren_english@nchkay.com) will be reaching out soon to secure and book times to meet and begin that engagement at a staff-to-staff level.

The successful project teams are:

<p><i>Xwemélch'stn Capilano I.R. No. 5</i> <i>Ch'ich'élxwí7kw Seymour I.R. No. 2</i></p>	<p>Perkins&Will Canada Architects (Lead) Liveable City Planning Ltd. (Co-Lead)</p> <ul style="list-style-type: none"> • Cory Douglas Modern Formline Design (Skw̓xwú7mesh Member) • PWL Partnership Landscape Architects • Ginger Gosnell-Myers • Bunt & Associates Transportation Engineering
<p><i>Stá7mes I.R. No. 24</i> <i>Ch'kw'elhp I.R. No. 26</i> <i>5th Site in Squamish Valley</i></p>	<p>hcma architecture + design (Lead)</p> <ul style="list-style-type: none"> • Sky Spirit Studio Inc. (Kesugwilakw Sierra Tasi Baker, Halikium Wade Baker - Skw̓xwú7mesh Members) • Urbanics Consultants Ltd.

This initiative is in keeping with the Squamish Nation's objective from its *Strategic Plan 2022-2026*, by which the Nation asserts its rightful place as a decision-maker with influence and control over what happens on Squamish lands and waters.

We look forward to working with you and your respective teams as we set out long term priorities for the Nation's territory and reserve communities.

Respectfully,

Khelsilem
Chair, Squamish Nation

SUNSHINE COAST REGIONAL DISTRICT STAFF REPORT

TO: Regular Board Meeting – October 26, 2023

AUTHOR: Jennifer Hill, Manager, Legislative Services
Kristi Wiebe, Legislative Assistant

SUBJECT: PROPOSED BOARD PROCEDURES BYLAW AMENDMENT

RECOMMENDATION(S)

- (1) THAT the report titled Proposed Board Procedure Bylaw Amendment be received for information;
- (2) AND THAT *Sunshine Coast Regional District Board Procedures Amendment Bylaw No. 717.3, 2023* receive first, second and third readings.
-

BACKGROUND

Regional districts must, by bylaw, establish the general procedures to be followed by the Board in conducting its business. This includes procedures for passing resolutions and adopting bylaws. On July 12, 2018, the SCR D Board adopted *Sunshine Coast Regional District Board Procedures Bylaw No. 717, 2018*. The purpose of this report is to present a proposed housekeeping amendment to the Board Procedures Bylaw to increase efficiency in bylaw readings and to explain the benefit of allowing first, second and third readings of a bylaw to be consolidated into one motion by way of a bylaw introductory statement.

DISCUSSION

Over the years, amendments have been made to the Board Procedures Bylaw to enhance the way the Board conducts business. As the workload of meetings continues to increase, an amendment consolidating how proposed bylaws are read for the public record will support efficiency during meetings.

Section 135 (2) of the *Community Charter* allows for the first, second and third readings of a bylaw at the same meeting, except for bylaws bound by additional legislative requirements. Therefore, it is in alignment with legislation that, in circumstances where Directors do not anticipate lengthy discussions in principle on the proposed bylaws, the Chair may move that a bylaw, or group of bylaws, be given first, second and third readings by one motion.

Changes can be made to a bylaw at any point during first, second or third reading. Once third reading is complete, changes can still be made to the bylaw; however, third reading must be rescinded and the bylaw read again a third time as amended. As bylaws can be debated at any reading, combining the three readings into one motion will not hinder engagement or collaboration for any proposed bylaw. Several other local governments have made similar amendments to their procedure bylaw to effect the same change.

Staff have drafted *Sunshine Coast Regional District Board Procedures Amendment Bylaw No. 717.3, 2023* which would add the following clause to Part 4, s. 23 of the Board Procedures Bylaw:

- (5) The Chair may move that any forthcoming proposed bylaw, or group of proposed bylaws, that are not subject to a public hearing may be given a first, second and third reading by one motion in the form of one introductory statement, provided the motion receives an affirmative vote unanimously by all Members present.

Financial Implications

N/A

Communications Strategy

Notice of the proposed bylaw amendment has been published for two consecutive weeks in the Coast Reporter and has been posted on the bulletin board (public posting place) at the SCRD Field Road office.

STRATEGIC PLAN AND RELATED POLICIES

N/A

CONCLUSION

It is within the legislated scope of a regional district to adopt a clause within its Procedures Bylaw to combine first, second and third readings of proposed bylaws by way of one motion. *Sunshine Coast Regional District Board Procedures Bylaw No. 717.3, 2023* has been drafted to increase bylaw reading efficiency without compromising procedural function. The draft amendment bylaw as attached is recommended for first, second and third readings.
