New to curbside? Wondering about what can go in your green bin? Visit <a href="www.scrd.ca/curbside-food">www.scrd.ca/curbside-food</a> for information about what is and is not allowed in your green bin.

New for 2023 – Residents can now use a compostable plastic bag for food waste in your green bin, <u>IF</u> it is BPI Certified compostable (logo example on the right). Prefer paper to line your bin? No changes there, paper is still perfectly acceptable.
