SUNSHINE COAST REGIONAL DISTRICT STAFF REPORT

TO: Special Electoral Area Services Committee – May 4, 2023

AUTHOR: Tina Perreault, General Manager, Corporate Services / Chief Financial Officer

SUBJECT: 2023 ELECTORAL AREAS' GRANT-IN-AID (GIA)

RECOMMENDATION(S)

THAT the report titled 2023 Electoral Areas' Grant-in-Aid (GIA) be received for information.

BACKGROUND

The Sunshine Coast Regional District (SCRD) provides assistance to the community under the *Local Government Act (LGA)* legislation. The SCRD Board policy on Electoral Area's Grant-in-Aid (GIA) as attached (Attachment A) was created to provide a framework to grant-in-aid applicants and to assist the Board's decision making processes. This policy is on the list of Board Policies to be reviewed.

Each year the SCRD Electoral Areas offer funding to non-profit community groups which provide a benefit to the community.

The Electoral Areas' discretionary budgets are funded through taxation and have historically been distributed as per the attached spreadsheet showing approved funding from 2010-2022 (Attachment B).

2023 Discretionary Balances (total \$235,293) available for each Electoral Area is as follows:

<u>Area A</u> <u>[121]</u>	<u>Area B</u> <u>[122]</u>	<u>Area D</u> <u>[127]</u>	<u>Area E</u> <u>[128]</u>	<u>Area F</u> <u>[129]</u>	<u>Greater Gibsons</u> <u>Community Participation</u> <u>[126]</u>	<u>E&F</u> <u>[123]</u>
\$21,000	\$18,897	\$26,000	\$18,944	\$20,312	\$11,583	\$7,557

Greater Gibsons Community Participation in the past was used as a separate function and process to provide funding to events and projects which mainly occurred in the greater area of Gibsons which includes Electoral Areas E and F and Town of Gibsons, for example Sea Cavalcade or Parkland Projects.

Electoral Areas E and F [123] is for Areas E and F and was originally created for Areas E and F to make joint decisions. In 2009, the budget for this account was reduced and larger allocations were provided in Area E [128] and Area F [129] to provide grants for larger area specific projects. These two functions jointly capture the industrial tax base within Area F and larger population base of Area E.

38 applications were included in the 2023 intake with a total of \$132,836 in requested grants.

DISCUSSION

Options and Analysis

For 2023 GIA, an Special Electoral Area Services (EAS) Committee has been scheduled for May 4 and recommendations with respect to the 2023 GIA applications will be considered in the Closed portion of this meeting and recorded for release at the May 25, 2023 Board Meeting.

Excerpts from the Policy have been provided below and may assist with understanding how decisions are made:

EVALUATION CRITERIA

- 8.1 The Electoral Areas' Grant-in-Aid Committee shall use some or all of the following criteria to assess applications (in no particular order):
- Evidence of community need or desire for proposed program, project, service or event
 - Potential benefit to the residents of the Sunshine Coast - use new approaches and techniques in the solution of community needs; whose project, program, service or special event is accessible to a large portion of the community's residents
 - Evidence of community partnerships or support (financial or in-kind)
 - Capacity to deliver the proposed program, project, service or event
 - Level of volunteer participation and citizen involvement
 - Evidence of financial need
 - Evidence of funding from other sources
 - Ability to demonstrate or anticipate future outcomes
 - Public accessibility
 - Exercise co-ordination, co-operation and collaboration with other groups to prevent duplication of projects, programs, services or special events
- 8.2 Electoral Areas' Grant-in-Aid will not be approved for:
- Large capital costs for equipment or improvements to (Privately) owned properties;
 - Fire Suppression and Life or Emergency Safety Equipment;
 - Annual Expenses;
 - Remuneration (wages, salaries, other fees);
 - Personal benefit, individuals, industrial, commercial, business undertakings (proprietor, member or stakeholder), educational institutions hospitals / healthcare;
 - Religious or ethnocultural organizations serving primarily their membership or their own religious or ethnic promotion or purpose;
 - Annual fundraising campaigns;
 - Endowment funds;
 - Debt retirement, interest payments or reserves;
 - Cost of developing a proposal or undertaking a facility study;
 - Non-profit societies conducting regional, Provincial or Federal level fundraising campaigns

Through the 2023 GIA Program Intake, staff have observed that not all previously funded community groups report on the successful use of funds by the January 31 in accordance with the Board's Electoral Area's Grant-in-Aid policy. At the 2022 GIA debrief staff suggested an improvement to the process for the 2022 year, to include in approval letters to the grant recipients a link to the "Reporting Out" form. For 2023, this seemed to only improve the process marginally. Also many 2023 applications arrived as incomplete, this caused processing delays in following-up on information relevant to the requests. Documents requested from applicants are as follows:

- Detailed project, program, service or special event budget (including all funding sources for the project) or see attached template
- Latest Financial Statement (Balance Sheet and Revenue / Expense Statement)
- Organizational budget for current year (including anticipated grant)
- Proof of Society's registration number (front page of tax return is sufficient)
- Letter of support from society (if application is made on behalf of a second organization)
- Annual Report (if available)

As this is part of the Board Policy, staff request the Board's input as to how new applications should be handled if the applicants have not fulfilled the Policy or application requirements.

There were 7 applications submitted which are not eligible to be funded per the *LGA* for the following reasons: they were deemed a business, or for projects or community groups that fall within an existing SCRD service such as Community Schools, Libraries or Parks. These applicants will be notified and where applicable, will be directed on how to proceed with their project application.

Also in the process of reviewing and assessing the GIA applications based on the Board's Electoral Areas' Grant-in-Aid policy, staff have noted the following items for consideration in funding decisions:

- Many organizations have been funded annual or several times since 2010 and often for exactly the same purpose each year;
- Year over year there are some requests for items which should fall into a social services type function or potentially cross into Provincial or Federal Government jurisdiction;
- Funding from Municipalities was not considered in some cases which potentially have value to the entire Sunshine Coast;
- Fees and Travel, Honorariums, Wages, Position Increases – these are all remuneration which would be taxable to the organizations and does not align with GIA Policy Section 8;
- Ferries and Travel Charges – Operational Costs – could be viewed as Personal Benefit (GIA - Section 8);
- Some organizations show large surpluses and high wage allocations;
- Venue Rentals – not always specified (as long as not SCRD Venues included);
- Funding some organizations complete projects – no fundraising or donations or fees collected by applicants to support the projects;

- 2023 Government Grant for Festivals – BC Fairs, Festivals and Events Funds (BCFFE Fund) \$30,031,600 in funding was provided to support 1,172 events across BC (Sunshine Coast Festival of the Written Arts \$7,400, Disc Golf Festival at Connor Park \$2,000, Feast of Fields (sunshine Coast) \$7,400, Halloween Howl \$2,000, Halfmoon Bay Seaside Shuffle \$2,000, Halfmoon Bay Fair \$2,300, nutcracker \$2,400, Rogue Arts Festival \$14,000, Sechelt Arts Festival \$15,500, Sunshine Coast Drag Race \$3,500, Summer Night Markets at Gibsons Public Market \$6,300, syiyaya Days \$3,300,

Financial Implications

Each of the grant-in-aid functions [121-129] have funds allocated for this process. All decisions will be made by recommendation and the discretionary figures will be tracked throughout the meeting.

Timeline for next steps or estimated completion date

Any recommendations made will be forwarded to the May 25, 2023 Board Meeting for adoption. Funding will be released on or after August 1, 2023.

Communications Strategy

After decisions have been formally approved, letters of approval or denial will be forwarded to the applicants shortly after.

STRATEGIC PLAN AND RELATED POLICIES

The Electoral Areas' Grant-in-Aid program supports the strategic priority to Facilitate Community Development. The formal process of determining the funding aligns with Ensuring Financial Sustainability as well as the values of collaboration, equity and transparency.

CONCLUSION

The SCRD Board policy on Electoral Area's Grant-in-Aid was created to provide a framework to grant-in-aid applicants and to assist the Board's decision making processes.

Each year the Electoral Areas of the SCRD offers funding to non-profit community groups which provide a benefit to the community.

Staff welcome any direction regarding the GIA process and alignment with the Board's Electoral Areas' Grant-in-Aid policy.
