## SUNSHINE COAST REGIONAL DISTRICT STAFF REPORT

**TO:** Special Electoral Area Services Committee – May 16, 2024

**AUTHOR:** Tina Perreault, General Manager, Corporate Services / Chief Financial Officer

**SUBJECT:** 2024 ELECTORAL AREAS' GRANT-IN-AID (GIA)

---

### RECOMMENDATION(S)

**THAT** the report titled 2024 Electoral Areas' Grant-in-Aid (GIA) be received for information;

**AND THAT** in the 2025-2029 Financial Plan there be a zero discretionary balance for Electoral Areas E and F [123].

---

### BACKGROUND

The Sunshine Coast Regional District (SCRD) provides assistance to the community under the *Local Government Act (LGA)* legislation. The SCRD Board policy on Electoral Area's Grant-in-Aid (GIA) as attached (Attachment A) was created to provide a framework to grant-in-aid applicants and to assist the Board's decision-making processes. This policy is on the list of Board Policies to be reviewed.

Each year the SCRD Electoral Areas offer funding to non-profit community groups which provide a benefit to the community.

The Electoral Areas' discretionary budgets are funded through taxation and have historically been distributed as per the attached spreadsheet showing approved funding from 2010-2023 (Attachment B).

2024 Discretionary Balances (total \$117,439) available for each Electoral Area is as follows:

<u>Area A</u> <u>[121]</u>	<u>Area B</u> <u>[122]</u>	<u>Area D</u> <u>[127]</u>	<u>Area E</u> <u>[128]</u>	<u>Area F</u> <u>[129]</u>	<u>Greater Gibsons</u> <u>Community Participation</u> <u>[126]</u>	<u>E&amp;F</u> <u>[123]</u>
\$21,000	\$19,664	\$25,000	\$17,209	\$17,006	\$11,132	\$6,428

Electoral Areas E and F [123] is for Areas E and F and was originally created for Areas E and F to make joint decisions. In 2009, the budget for this account was reduced and larger allocations were provided in Area E [128] and Area F [129] to provide grants for larger area specific projects. These two functions jointly capture the industrial tax base within Area F and larger population base of Area E. Staff recommend that in 2025 Electoral Area E and F [123] discretionary balance be zero and the function not used going forward.

34 applications were included in the 2024 intake with a total of \$114,500 in requested grants.

## **DISCUSSION**

### *Options and Analysis*

For 2024 GIA, a Special Electoral Area Services (EAS) Committee has been scheduled for May 16 and recommendations with respect to the 2024 GIA applications will be considered in the Closed portion of this meeting and recorded for release at the May 23, 2024 Board Meeting.

Excerpts from the Policy have been provided below and may assist with understanding how decisions are made:

## **EVALUATION CRITERIA**

- 8.1 The Electoral Areas' Grant-in-Aid Committee shall use some or all of the following criteria to assess applications (in no particular order):
- Evidence of community need or desire for proposed program, project, service or event
  - Potential benefit to the residents of the Sunshine Coast - use new approaches and techniques in the solution of community needs; whose project, program, service or special event is accessible to a large portion of the community's residents
  - Evidence of community partnerships or support (financial or in-kind)
  - Capacity to deliver the proposed program, project, service or event
  - Level of volunteer participation and citizen involvement
  - Evidence of financial need
  - Evidence of funding from other sources
  - Ability to demonstrate or anticipate future outcomes
  - Public accessibility
  - Exercise co-ordination, co-operation and collaboration with other groups to prevent duplication of projects, programs, services or special events
- 8.2 Electoral Areas' Grant-in-Aid will not be approved for:
- Large capital costs for equipment or improvements to (Privately) owned properties;
  - Fire Suppression and Life or Emergency Safety Equipment;
  - Annual Expenses;
  - Remuneration (wages, salaries, other fees);
  - Personal benefit, individuals, industrial, commercial, business undertakings (proprietor, member or stakeholder), educational institutions hospitals / healthcare;
  - Religious or ethnocultural organizations serving primarily their membership or their own religious or ethnic promotion or purpose;
  - Annual fundraising campaigns;
  - Endowment funds;
  - Debt retirement, interest payments or reserves;
  - Cost of developing a proposal or undertaking a facility study;
  - Non-profit societies conducting regional, Provincial or Federal level fundraising campaigns

Through the 2023 GIA Program Intake, staff have observed that not all previously funded community groups report on the successful use of funds by the January 31 in accordance with the Board's GIA policy, therefore staff included a link to the "Reporting Out" form in the 2023 approval letters to grant recipients. For 2024, this seemed to only improve the process marginally and most 2024 applicants only reported out on previous grants with new application submissions (March / April 2024).

As this is part of the Board Policy, staff request the Board's input as to how new applications should be handled if the applicants have not fulfilled the Policy or application requirements.

There were 8 applications submitted which are not eligible to be funded per the *Local Government Act* for the following reasons:

- Where costs for an already established SCRD service cannot also be paid for through a GIA. Any funding for these initiatives or programs should be funded within the established service.
- Funding requested is under the jurisdiction of the Provincial Government.

These applicants will be notified and where applicable, will be directed as to how to proceed with their project application.

Also in the process of reviewing and assessing the GIA applications based on the Board's Electoral Areas' Grant-in-Aid policy, staff have noted the following items for consideration in funding decisions:

- Many organizations have been funded annual or several times since 2010 and often for exactly the same purpose each year;
- Year over year there are some requests for items which should fall into a social services type function or potentially cross into Provincial or Federal Government jurisdiction;
- Funding from Municipalities was not considered in some cases which potentially have value to the entire Sunshine Coast (recognizing that the Town of Gibsons no longer has a granting program);
- Fees and Travel, Honorariums, Wages, Position Increases – these are all remuneration which would be taxable to the organizations and does not align with GIA Policy Section 8;
- Ferries and Travel Charges – Operational Costs – could be viewed as Personal Benefit (GIA - Section 8);
- Some organizations show large surpluses and high wage allocations;
- Venue Rentals – not always specified (as long as not SCRD Venues included);
- Funding some organizations complete projects – no fundraising or donations or fees collected by applicants to support the projects;

As part of the SCRD's 2016 external financial audit conducted by BDO Canada (2017 Report), the SCRD Board requested the auditors review funding for ongoing programs through rural grants-in-aid. It concluded that both clear policy and compliance with legislation, such as establishing a regional district service for a specified purpose should be done for programs that

are provided funding on an ongoing basis. To date there has not been an additional SCRD service established to accommodate ongoing funding for programs or events.

*Financial Implications*

Each of the grant-in-aid functions [121-129] have funds allocated for this process. All decisions will be made by recommendation and the discretionary figures will be tracked throughout the meeting.

*Timeline for next steps or estimated completion date*

Any recommendations made will be forwarded to the May 23, 2024 Board Meeting for adoption. Funding will be released on or after August 1, 2024.

*Communications Strategy*

After decisions have been formally approved, letters of approval or denial will be forwarded to the applicants shortly after.

**STRATEGIC PLAN AND RELATED POLICIES**

The formal process of determining the funding aligns with the GIA Policy.

**CONCLUSION**

The SCRD Board policy on GIA was created to provide a framework to grant-in-aid applicants and to assist the Board’s decision-making processes.

Each year the Electoral Areas of the SCRD offers funding to non-profit community groups which provide a benefit to the community.

Staff welcome any direction regarding the GIA process and alignment with the Board’s GIA policy.
