Everyone Welcome Swim

Fun for all ages! At least one lane is available for length swimming during this time. Other water features may be available. Children under 7 years must be within arm's reach of someone 16+ years.

Aquatic Fitness Drop-in

Aquafit

For ages 13+ years

Exercising in water provides a full body workout with a focus on core stability and strength, enhanced cardiovascular training, muscle strength and endurance and flexibility. The magic properties of water create an environment that is accommodating to any fitness level. You are welcome to stay in shallow/chest deep water if you would prefer.

Gentle Waves

This is a gentler paced water exercise program ideal for those with any joint issues or those who enjoy a slower paced activity.

Swim Fit

For ages 19+ years

Stroke drills and swim workouts for all fitness levels are provided during this length swim to help improve and develop your swimming endurance. This self-led program allows you to progress at your own rate while increasing your cardiovascular capacity.

Annual Pool Maintenance Closures for 2024

Pools require annual maintenance to extend the life of the facilities and to minimize unexpected closures. We schedule planned, temporary closures of the pools and wet areas to complete this work each year. The annual maintenance closures at SCRD pools are scheduled so that only one pool is closed while the other two pools are open and available.

Monthly Passes During Pool Maintenance Closures

Plan ahead! Passes are not refundable.

There will be two pools and at least two weight rooms open during scheduled maintenance closures so you can keep using your MYPASS for swimming and fitness classes.

However, if you only use it at one specific facility, keep the following dates in mind:

Sechelt Aquatic Centre:

The entire facility will be CLOSED starting May 26 to July 1, re-opening on July 2.

This year, the long-awaited replacement of the fire suppression sprinklers at Sechelt Aquatic Centre will be completed.

To get this important work done, the entire facility, including the weight room and fitness studio will be closed.
