July 2026: Residents will receive their second real volumetric bill.

October 2026: Residents will receive their third real volumetric bill.

January 2027: Residents will receive their fourth real volumetric bill.

1

This shows the Name, Address, new Account Number and Access Code, Billing Period and Due Date associated with the bill.

2

This is information on the meter read such as Meter Number and the total Consumption in cubic metres for 3 months.

1 Cubic Metre is 1000 Litres.

A message may be shown under the meter read. Action may be required by the homeowner.

3

These lines break down the total water consumption recorded at the property.

The first line shows the Base Charge. It is a fixed charge for all water used from zero to 46 cubic meters (m³) per quarter.

The second line shows the Volumetric Rate. \$4.00 per cubic metre is used as an example to calculate consumption charges.

Actual rates will be adopted by the SCRD Board in December 2025.
