

# SUNSHINE COAST REGIONAL DISTRICT CURRENT DEVELOPMENT APPLICATIONS

Current as of: January 31, 2026

This report is generated monthly by the Planning and Development Department to present a snapshot and status of the following development application types:

## Agricultural Land Reserve Application

Applications related to non-farm uses within the Agricultural Land Reserve.

## Board of Variance Application

Applications to the Board of Variance to vary regulations such as building setbacks, height, or parking requirements, due to constraints that result in hardship.

## Bylaw Amendment Application

Applications to amend land use regulations in Zoning Bylaw 722 or 337.

## Development Permit Application

Applications for a development permit to alter land, subdivide land, or construct buildings and structures in a Development Permit Area (DPA).

## Development Variance Permit Application

Applications for a Development Variance Permit (DVP) is a permit to vary regulations such as building setbacks, height, or parking requirements. A DVP cannot be used to change the permitted uses or density of a property.

## Frontage Waiver Application

Applications to reduce the minimum 10% required parcel frontage along a public road.

## Official Community Plan (OCP) Amendment Application

Applications to amend goals, objectives, policies, and land designations in an OCP.

## Property Information Request

Complex property information requests that require additional staff time to respond.

## Remedial Approval

A comprehensive pre-application process required in cases where work has proceeded without the required development permit.

## Strata Conversion Application

Applications to convert previously occupied buildings to a strata unit.

## Subdivision Application

Applications to provide response to a Ministry of Transportation and Transit (MOTT) subdivision referral.

## Tree Cutting Permit Application

Applications to authorize tree removal in areas designated in Tree Cutting Permit Bylaw 350.

## Application Statuses

**NEW:** An application has been received and is being checked for completeness prior to being assigned to staff for review.

**RECEIVED:** An application is complete and ready for review.

**IN-PROGRESS:** An application is actively under review by staff.

**ACTIVE:** A Development Permit or Tree Cutting Permit has been issued and is active. For Subdivision applications an application has been reviewed and comments submitted to

## Subdivision Applications

Subdivision approval is granted by the Provincial Approving Officer at the Ministry of Transportation and Infrastructure. The SCR D receives referrals for all subdivision applications and provides comments and conditions with respect to local regulations that affect subdivision and land development. A letter containing "Conditions of Subdivision" is issued in response to all subdivision applications. Prior to granting final approval to a subdivision all SCR D Conditions of Subdivision must be met.
