4. I/We acknowledge and take full responsibility for the failure to obtain any additional permits and approvals required under Government District bylaws and Provincial statutes or regulations that may delay or impede the issuance of the building permit or commencement of construction and understand that any failure to obtain would not meet the permit extension hardship or complexity threshold as described in the Bylaw

7. I/We am not in any way relying on the Government District or its building officials, as defined under the Bylaw, to protect the owner or any other persons as set out in Part 3 of the Bylaw and I will not make any claim alleging any such responsibility or liability on the part of the Government District or its building officials.

8. I/We hereby agree to indemnify and save harmless the Government District and its employees from all claims, liability, judgments, costs and expenses of every kind which may result from negligence or from the failure to comply fully with all bylaws, statutes and regulations relating to any work or undertaking in respect of which this application is made.
